THD11802EU | Versavu™ Rotating Galaxy Note 2 10.1 inch Case Stand - Blue

All round protection for your Galaxy Note. A hard shell cover clicks securely to the back of your Galaxy Note to provide protection to the back and sides, whilst a durable front cover with soft interior lining protects your Galaxy Note screen. The front cover folds back to form a hands free stand for easy viewing and comfortable typing. Click In ensures you are able to access to all ports, features and functions of your Galaxy Note from inside the case. The ultra slim design is lightweight and easy to carry.

- Patent-pending rotating case for Galaxy Note for a choice of viewing in landscape & portrait
- Hard shell back cover securely clicks onto your Note to provide all round protection
- Durable front cover with super soft interior to protect your Note from scratches
- Multiple Viewing and typing positions
- Access all your Note features and functions while inside the case
